Re: Supplement to Joint Application of InfraSource Services, Inc., Transferor, Sunesys, LLC, Licensee, Sunesys of Virginia, Inc., Licensee and Quanta Services, Inc., Transferee

For Grant of Authority Pursuant to Section **214** of the Communications Act of **1934**, as amended, and Section **63.04** of the Commission's Rules to Complete a Transfer of Ultimate Control of Sunesys, LLC and Sunesys of Virginia, Inc., Authorized Domestic Section **214** Carriers, to Quanta Services, Inc.

WC Docket No. **07-94**

Dear Ms. Dortch:

At the request of Staff, the following Supplement is submitted to the above-referenced Joint Application that was filed with the Commission on May **2**, 2007. All capitalized words or party names used herein have the same meaning as in the Joint Application:

- At the bottom of Page **5** of the Joint Application, FMR Corp. is identified as the holder of **14.91%** of Quanta's outstanding common stock. As a supplement to that showing, the following is provided:

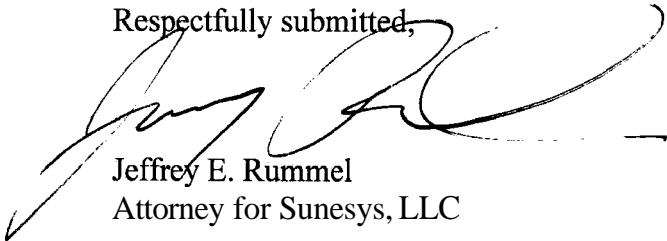

**"There exists no other 10% or more owner of the equity of Quanta Services, Inc."**

- At the top of Page **8**, the Parties demonstrated the reasons why the Application is eligible for streamlined processing pursuant to Section **63.03** of the Commission's Rules. By this Supplement, that paragraph is hereby deleted and replaced in its entirety with the following paragraph:

"Applicants respectfully submit that this Application is eligible for streamlined processing pursuant to Section **63.03** of the Commission's Rules, **47 C.F.R. § 63.03** because, immediately following the transaction, (1) Applicants and their affiliates, as defined in Section 3(1) of the Communications Act ("Affiliates") combined will hold less than a ten percent (10%) share of the interstate, interexchange market; (2) Applicants and their affiliates will provide competitive telephone exchange services or exchange services (if at all) exclusively in geographic areas served by a dominant local exchange carrier that is not a party to the transaction; and (3) none of the Applicants is dominant with respect to any service."

Should any questions **arise** with respect to this matter, please communicate directly with this office.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Jeffrey E. Rummel', is written over the typed name and title.

Jeffrey E. Rummel  
Attorney for Sunesys, LLC
